Narromine Aerodrome Industrial Park

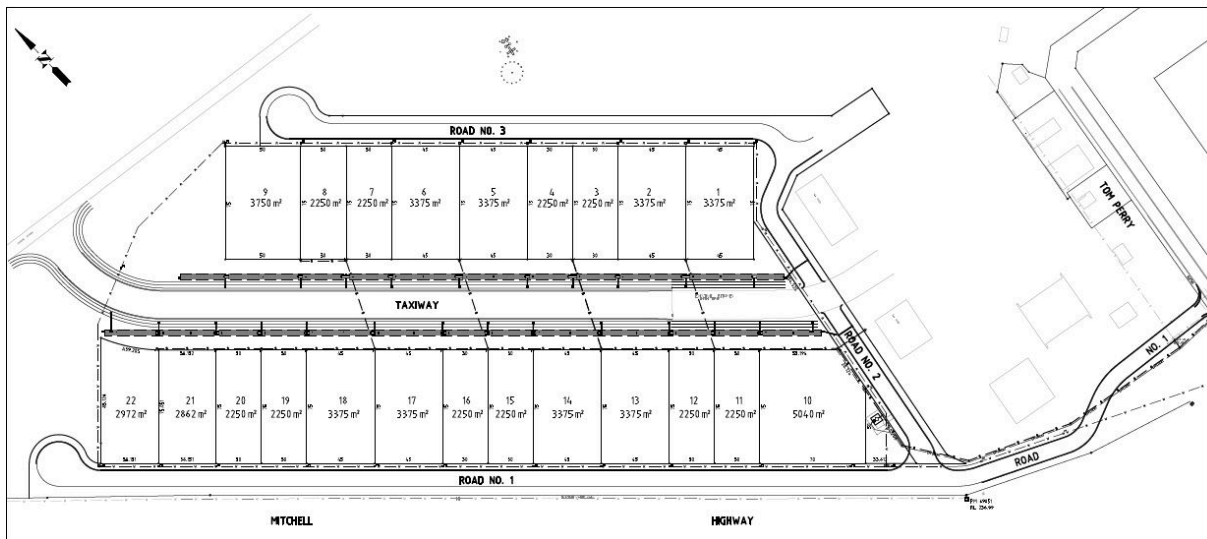

Located at Narromine Aerodrome in the Central West and Orana region, the 8.6 hectare industrial park includes 22 blocks of freehold light industrial land and hanger development with direct access to the airport.

The Narromine Aerodrome Industrial Park is an ideal location for businesses with links to the aviation industry.

The new industrial blocks are for aviation-related businesses including tourism, aircraft repairs, avionics, agricultural uses, logistics, training and hangarage.

The Narromine Aerodrome Industrial Park features:

- › Government support with A\$752,000 of funding already provided by the NSW Government
- › Narromine Shire Council is flexible and supportive of business investment and development
- › Located only 30 minutes West of Dubbo
- › Suitable for 24/7 operations
- › Customisable land options to suit all development needs

For further information or to express your interest in the Narromine Aerodrome Industrial Park, please contact Ben Morgan below.
