Northern NSW Inland Port

The Northern NSW Inland Port will provide an ideal location for businesses looking to benefit from long-term supply chain commitments.

The Northern NSW Inland Port will accommodate a diverse range of industries.

It will present major investment opportunities for transport and logistics operators, manufacturers, agri-businesses and service providers, and offers a competitive advantage to businesses requiring national and global distribution.

The Port will feature a freight and logistics terminal with access to Inland Rail, as well as an industrial park with all of the enabling infrastructure required to support business operations.

The Northern NSW Inland Port will feature:

- > Industrial Park and Freight Logistics Port
- > 240 hectares
- > 7 kilometres from Narrabri town centre
- > Affordable land
- > Access to services
- > Access to Inland Rail and global markets

This project is at concept stage.
